# AUSTRALIAN SIDE-BY-SIDE RALLY CHALLENGE

WE CHALLENGE YOU TO HAVE THIS MUCH FUN!

## TWICE THE FUN, TWICE THE ACTION, HALF THE PRICE.

Grab a partner and come join Polaris in the fastest growing and most exciting dirt-racing in the world today. If you have ever thought of racing, this is the perfect opportunity. Polaris, the largest off road vehicle manufacturer in the world, are taking on arch-rival Can-Am again in 2013.

This is an all-new low budget racing platform introduced and developed by Polaris and Can-Am in 2012. The SXS Challenge was developed to create a high action, low cost class that allows a Driver and Co-driver team to experience the Australian Rally Championship. Grab your mate, father, brother or sister, it doesn't matter, all are welcome.

## COST OF SXS RACING

The aim of the class is to keep the cost of racing to a minimum. The Polaris RZR 900 XP can be entered as a stock vehicle, with only compulsory CAMS safety modifications. You can be ready to race for under \$30,000. The CAMS safety requirements are listed in the 'competitors' section at [www.rally.com.au](http://www.rally.com.au)

Polaris Australia is committed to give financial and technical support to any teams that wish to compete in 2013. The Polaris RZR proved itself again at Round one of the 2013 Challenge, with Polaris Racing winning 14 of the 17 stages and defending its WA Rally title.

Call Robert Rosengarten on (03) 9394 5628 for more information.

# NO SPEED LIMITS, NO HOON LAWS, NO EXCUSES.

## SICK OF RECEIVING SPEEDING TICKETS? WANT A SMARTER WAY TO SHOW OFF YOUR JEDI-LIKE DRIVING SKILLS?

The Australian Side By Side challenge is the perfect way for you to put your skills to the test. There's no other motor racing category in Australia today - where you can race against the clock with the world's best drivers at your first race meeting. Polaris team driver, rally legend Cody Crocker and Co-driver Greg Foletta are there to help all Polaris teams at each race weekend.

*Cody and Greg celebrate winning the very first SXS challenge Championship title in 2012.*

## LEADING THE WORLD IN SIDE-BY-SIDE RACING.

The Polaris RANGER RZR XP™ 900 is the machine that no other manufacturer can touch. The lowest centre of gravity and the legendary Polaris ride make this the industry leader. With an **88 Horsepower** Polaris ProStar™ 900 DOHC Twin EFI Engine, the **3-Link Trailing Arm IRS** with 14" of travel, and **On-Demand True All-Wheel Drive**, the Polaris RANGER RZR XP™ 900 is not just at the head of its class, it's in a class by itself.
